

# The B-47 *Stratojet* Association

DB-47E

The DB-47E

Two additional B-47Es (53-2345 and 53-2346) were converted to Rascal carriers under the designation DB-47E. They were essentially similar to the YDB-47E except they carried the Boeing designation of Model 450-172-52.
