

GIVE THE GIFT THAT LASTS FOREVER

**Strategic Air Command and Aerospace Museum
Memorial Patio Walk Bricks**

On Interstate 80 between Lincoln & Omaha Nebraska

Preserve history and pay tribute to a loved one. The memorial Patio Walk is located in the front of the Strategic Air and Space Museum between the Thor and Blue Scout Missiles. The walk is created out of bricks each engraved with a tribute to an individual or group. The patio provides a resting spot for Museum guests. All of the bricks purchased by the B-47 Stratojet Association members will be grouped together. You can create this permanent remembrance for only \$500. One hundred dollars of this goes to create and place the brick in the walk and \$400 goes directly into the restoration fund for the restoration of the only B-47 bomber model left in the world that is in an indoor protected area. A receipt will be mailed to you. A gift card to the person(s) being honored will be sent upon request.

Make all checks out to the B-47 Stratojet Association so that these funds will be placed directly into the restoration fund for the B-47. Won't you join us in this most worthwhile project? Please send your check for \$500 and this form to the B-47 Stratojet Association, to Dick Curran, Treasurer, 219 Charles Court, Dandridge, TN 37725-3333.

Your gift is 100% tax deductible and will help insure that future generations can view a real B-47 Bomber. Include the name you wish to appear on your brick.
